

BECOME A REPUBLICAN WOMEN'S CLUB MEMBER WITHOUT LEAVING YOUR HOUSE

Are you frustrated with how things are going in Washington and Columbus? Are you looking for a place to network, blog and discuss current events? We are looking for a few "Good Women" to become Charter Members of the Ohio Federation of Republican Women's (OFRW) - Ohio Republican Women's Online (ORWO) club. ORWO as it will be referred to in the future, is the State-wide Republican Women's Club. It is now in the organizational process.

The mission of the club will be to provide a networking community, of like minded women, to share information and ideas on political issues, principles and ethics while providing them with a venue that will promote the inter-change of ideas and experiences -- without the travel and time constraints of a traditional club. Regular members will receive free state and national publications and legislative alerts. They will have access to all the services provided by the state and national organizations.

Join Now

Why join the ORWO? By joining this exciting new club you will also be a part of the OFRW and the National Federation of Republican Women (NFRW). The OFRW and the NFRW are the largest grassroots women's partisan political organizations in the USA. The NFRW is composed of 1,800 clubs in 50 States — and also in Guam, Puerto Rico and the Virgin Islands — and boasts approximately 85,000 members.

ORWO will provide you with ways to influence how the local, state and federal government officials manage critical issues that affect our lives.
