Dear Republican Friend,

Greetings to you from the Ohio Federation of Republican Women (OFRW)! This letter is being sent to you to let you know we value your support of the Republican Party and to our organization. We also want to request that you continue that support with a donation to the OFRW Cardinal Fund.

As a grassroots organization in Ohio, we realize the need to carry out the objectives of the OFRW and the Republican Party. We want to continue to provide political education and legislative information, increase the number of registered Republicans, recruit and support Republican women for political office, give exposure and work for all Republican candidates and assist our clubs throughout the state. In order to accomplish these objectives, we must have the operating funds to meet our budget.

It has been our privilege to support many of you who are reading this letter, on a State, District, and/or Local Level as you sought elected office. Others of you have been instrumental in efforts to seek qualified candidates and have provided efforts to get those candidates elected. Whatever role you have played, we want to express our sincere appreciation for the services you provide.

We respectfully request that you consider a contribution to the OFRW Cardinal Fund. While all donations are most welcome, those donating \$50.00 or more will be listed in all 2011 programs. In addition, those donating \$100.00 or more will be invited to a special appreciation event to be held later this year. For your convenience, we have enclosed a form to be returned along with your donation in a return envelope.

Alternatively, we now accept payments through PayPal at www.ohfrw.com under Cardinal Fund or you can go directly to www.paypal.com, sign into your account and send payment to karenmctague@ohfrw.com through the 'send money' tab.

On behalf of the members of OFRW, we thank you for your consideration of this request. We value the trust you place in OFRW, and we will continue to do our best to maintain that trust.

With sincere appreciation,

Jean Turner, President
Ohio Federation of Republican Women
