

# **Caring for America's**

## **"Project USO Care Package Program"**

The monies that we will raise will be given to the USO of Ohio and kept here in Ohio for the Care Package Program in Northern Ohio. The care packages will go to Ohio military members.

We are asking our local clubs and members of OFRW to donate money for the USO Care Package Program. We ask that your checks — either from clubs or individuals — be made out to USO. By doing so, donations from individual members ARE tax deductible. Checks made out to OFRW to be directed to Caring for America are NOT tax deductible.

- We will keep track of all donations from each club and individual.
- We will keep our Treasurer informed of all donations.
- We will send the donations along with a letter from the OFRW to the USO.
- We will list all individuals in the letter and amounts donated.

We hope we can really make a difference in the lives of people who serve us so well. We appreciate your support for this very worthwhile project.

There are many projects to choose from and many needs throughout our state.

**Please make check payable to USO**
