

Care Package Program

Thanks to the thoughtful donations of the Patriotic Ohioans who helped collect money for postage and items for our Troops serving overseas we were able to ship over 7,200 care packages in 2009. Help us to continue to reach out and remind our Military that they are appreciated and missed
Until Everyone Comes Home.

Our 7,500 sq. ft. Care Package facility is located in North Canton Ohio. The bustling space is organized into packing areas for Health & Wellness boxes and Food & Snack boxes. There is also a family room where items too large to ship are made available to Military families in need. Additional space is allocated to our Baby Seabag Program, these “showers in a bag” are favorites of families who have just welcomed new additions.

The most needed items include:

- Men's Deoderant
- Batteries (all sizes)
- Disposable razors (for men and women)
- Eye Drops, Ear Drops, and Cough Drops
- Sun screen (travel size)
- Small cans of tuna, Vienna sausages, sadines, etc.
- Small packs of peanuts, trail mix, etc.
- Dry drink mixes (small or individual size)
- Slim Jims and Beef Jerky!
- Toothbrushes
- Zip-lock bags (all sizes)
- Feminine Hygiene Products
